

Engage students in active learning

NOW 30% OFF

- Modernise the way you teach
- Save time on lesson planning
- Increase student engagement

Click [here](#) to learn more about Lt LabStation

“At the start, Lt LabStation’s ready-made lessons and labs let me hit the ground running and have given me the space to get to know the program. Now that I’m comfortable with it, I’m looking forward to authoring my own lessons.”

- Dr Sue Jamieson, Senior Lecturer, Biosciences, Health Sciences,
School of Medicine, University of Central Lancashire, UK

Offer is valid until 30/06/2020
